Welcome

Welcome to Course Name. [insert 1-2 sentences about the course/program]

Important Notes

You have [Live Sessions](#) with your instructors each [weekday] at [time] Eastern. This week's live session is an orientation session where you can meet your instructors and fellow students and learn more about the course and how to navigate it. The remaining live sessions will [...revisit key concepts from the week's content, discuss reflection questions, cover questions that you have about the course content...]. Attendance at the live sessions is [mandatory/optional/highly recommended]. Prior to attending the weekly live sessions, you are expected to [... read the content; participate in discussions; submit your weekly assessment; submit any questions that you have to the [Live Session Q&A](#) discussion topic.]. A [Live Sessions Calendar File](#) containing the full live session schedule is available for you to download and import into your preferred calendar program.

You can refer to the [Course Schedule and Responsibilities](#) to see the expectations for each week as well as due dates for your activities and assessments.

To familiarize yourself with the course, please read through all of the pages in the [Course Information](#) section.
